SANKALP INDUSTRIES

Our Promise To Deliver, Every Single Time.

SANKALP INDUSTRIES

At Sankalp Industries, our service is driven by the customer. Our values and systems drive our excellence beyond transactional value, allowing us to foster lifelong relationships, trust and reliance within our community. We believe in understanding our consumer deeply in order to build a “perfect-fit” service program to fulfil all their material and chemicals needs along their path of growth and progress.

OUR VOW OF EXCELLENCE

Sankalp Industries leads with the vow of commitment, a determination of diligence and a promise of reliability. Our systems enable complete offloading of client responsibilities, ensuring efficient and effective procurement, backed by dependable management and authentic quality assurance

Mission

To enable industrial leaders to build on the back of reliability and transparency at the very core of their process. Sankalp Industries aims to build foundational structure and take charge of procurement processes

Vision

To build a tight-knit, trust focused, community of industry leaders. At Sankalp Industries, we believe in earning our clients and building legacy relationships which cross generations, to build with dependance and belief.

WHY CHOOSE US?

Our commitment to excellence ensures that we consistently deliver outstanding results, helping businesses stay ahead of the competition.

Quality Assurance

All materials and chemicals are double-tested and presented with verification certificates and QTRs

Tailored Systems

We build unique systems for each customer, taking into account volumes, projections, growth, expansion and frequency to ensure a seamless progress journey.

Legacy Partnerships

We prioritise building generational relationships with our clients, fostering intricate and personalised systems as well as management.

24/7 Support

Our dedicated team works round-the-clock to ensure all our deliveries run smoothly and on-time. All materials are quality tested at various stages and movement is tracked for seamless progress

OUR EXPERTISE

Market Price Competitiveness

In a competitive market, price leads. We ensure that our clients get the best price, year round.

Supply Pattern Forecast

Our integrated systems ensure accurate forecasting and pre-stocking so delays never happen.

Logistical Support

From allotment to door-step delivery, we manage, execute and ensure a hassle-free experience.

OUR CHEMICALS

Industry Chemicals

Essential for manufacturing and processing sectors. Verified purity, correct grades, ex-stock availability, and timely dispatch in drums or tankers.

Green Chemicals

Eco-friendly alternatives for sustainable projects. Reliable performance, quality assurance, ex-stock readiness, and prompt delivery.

Construction Chemicals

Trusted admixtures, waterproofing compounds, grouts. Enhance durability and workability; supplied ex-stock with consistent quality and swift dispatch.

Construction Materials

Key items like cement, aggregates, and related products. Competitive rates, strong ex-stock positions, and dependable on-time site delivery.
